

Antique Plank

Antique Plank is a Solid White Oak product marketed under our brand Castle Plank wide width flooring and manufactured by Historic Timber and Plank, Inc. By combining the color agent Grey Magic with tinted urethane top coats, the "Antique Plank" faux reclaimed look is created.

- Grey Magic is a water based all natural material.
- It creates a "weathered" appearance with silver and grey tones.
- Wood treated with Grey Magic is completely harmless to all living things.
- The natural substances in Grey Magic wood treatment penetrates the wood fibers.
- Grey Magic is a reactive colorant permanently changing the natural color of White Oak.

Please refer to our guidelines for instructions at www.historictimberandplank.com for installation, care and maintenance for your Antique Plank floor.
